2.1 INTRODUCTION

This manual shall be the main reference for the **PNOC AFC Industrial Park's** Integrated Management System (IMS) for quality, health and safety, security, and environment (HSSE). It describes PNOC AFC's approach in managing its business and operations in the industrial park in accordance with the ISO 9001:2015 Quality Management System, ISO 14001:2015 Environmental Management System, and OHSAS 18001:2007 Occupational Health and Safety Management System requirements. It makes reference to relevant documents, such as policies, procedures and instructions. It is meant to complement other existing PNOC and PAFC policies.

2.2 OBJECTIVES OF THE IMS MANUAL

The IMS Policy Manual is created for the following purposes:

- 2.2.1 Describing the processes and interrelation among processes of PAFC that affect the park's performance on quality, health and safety, security, and environment;
- 2.2.2 Communicating PAFC policies and requirements to its personnel, locators, suppliers, and service providers, mother and sister companies, and other interested parties;
- 2.2.3 Providing a documented management system, which serves as basis for personnel training, system standardization, implementation, and auditing;
- 2.2.4 Providing continuity of the company's IMS and its requirements during changing circumstances;
- 2.2.5 Demonstrating compliance with the requirements of ISO 9001:2015, ISO 14001:2015, and OHSAS 18001:2007 standards, on which this IMS is based.
