TERMS OF REFERENCE / TECHNICAL SPECIFICATIONS

I. SCOPE OF WORK

The contractor shall supply all required design, labor, tools, materials, equipment, and necessary supervision and technical expertise to execute and complete the Enhancement of the PNOC Energy Center Landscape and provide after care training for the PNOC gardener.

1. Print out of Landscaping perspectives.
2. Mobilization;
3. Uprooting of the existing/old plants and undesired weeds.
4. Cleaning of the area by removing rubbish and debris.
5. Perform ground preparation and filling-up garden soil.
6. Supply and installation of various garden plants, boulders and rubbles as proposed design.
7. Conduct of post procedure and gardening to ensure 100% survival of installed plants.
8. Conduct orientation and training to PNOC Gardeners regarding maintenance of plants and grass.
9. Proper transport and disposal of debris material out of the PNOC Energy Center premises.

II. LABOR REQUIREMENTS

The minimum key personnel and work experience requirements are the following:

Key Personnel	General Experience
Landscape Artist	Minimum 3 years professional experience as a Landscape Artist

The contractor's Landscape Artist must always be present on site whenever work is being performed.

III. EQUIPMENT REQUIREMENTS

Safety Equipment – Personal Protective Equipment (PPE) for a safe and stable work environment for specific work.

IV. GENERAL REQUIREMENTS

a. Workmanship

All operations/ undertakings required in any and all parts of the scope of work specifications shall be undertaken in an orderly, workmanlike manner. Only qualified and skilled personnel with sufficient experience in similar operations nominated by the Contractor shall be allowed to undertake the same.

b. Inspection of Site

The Proposal is deemed to have been based on current date, including physical conditions at the site. The Service Provider acknowledges and warrants that it has inspected and examined the site and their surroundings,

and has satisfied itself by submitting its Proposal as to the requirements of the work and materials necessary for the completion of the works, the means of access to the site, the accommodation it may require and that it has obtained for itself, all necessary information as to risks, contingencies and other circumstances which may have influenced or affects it Proposal. No increase in cost of extension of time will be considered for failure to familiarize, inspect and examine the site condition.

c. Criteria for Evaluation

The criteria for evaluation are outlined as follows:

Design (40%): This criterion assesses the design approach employed in clustering the plants.

Type of Plant (30%): This criterion evaluates the selection and suitability of the plant species used.

Cost (30%): This criterion considers the pricing of the plants.

The total evaluation is based on a cumulative score of 100%.

V. DRAWINGS

The contractor should refer to the PNOC As- built Site Development plan for the location of the landscape areas.

VI. PROJECT EXECUTION REQUIREMENTS

A. Methodology Requirements

1. Submission of Gantt chart for determination of activities and timelines & per area landscape perspectives.
2. Mobilization
 - a. The Contractor shall validate and check any conditions on-site which may have an effect on the work and shall immediately notify PNOC commencing the works.
 - b. The Contractor shall provide safety signage/ early warning signs visible at the jobsite as required for the proper execution of the work. Safety precautions shall at all times be observed.
 - c. All temporary services and facilities installed by the Contractor shall be removed by the Contractor on completion of this Contract. The Contractor shall restore any damage, alteration, caused by such removal and during the project implementation.
3. Uprooting of the existing/old plants and undesired weeds.
4. Cleaning of the area by removing rubbish and debris.
5. Perform ground preparation and filling-up garden soil.
6. Installation of various garden plants, boulders and rubbles as proposed by the Landscape Contractor.
7. Conduct of post procedure and gardening to ensure 100% survival of installed plants.

8. Conduct orientation and training to PNOC Gardeners regarding maintenance of plants and grass.
9. Proper transport and disposal of debris material out of the PNOC Energy Center premises.

ADDITIONAL REQUIREMENTS:

A. General Conditions

1. The Contractor must do inspection and actual measurements on all areas to be done by the scope of works prior to submission of bid to arrive to an estimate of the labor, materials, equipment, facilities and services necessary to carry out the work. The absence of a site inspection shall be grounds for disqualification of bids in evaluation.
2. The Contractor shall commence the work on the agreed Start Date and shall carry out the work in accordance with the program of work submitted by the CONTRACTOR, as updated, with the approval of the PNOC Admin-GSD representative and complete the project by the completion date as indicated in the TOR.
3. The Contractor must comply with all standard health and safety requirements to include, among others, the use of personal protective equipment by all workers, installation of safety signage, proper ID and observe company rules and regulations on safety and security.
4. The work shall be executed in the best and thorough manner throughout the project timeline and to the satisfaction of PNOC-Admin GSD, as represented by its engineers and supervisors who will jointly interpret the meaning of the scope of work and its conditions and shall have the power to reject any work, method of accomplishing every part of work and material used which in their judgement are not in full accordance with the specifications and/or description as provided in the scope of work and are deemed to be disadvantageous to PNOC.
5. A joint inspection must be conducted by the Contractor and PNOC Representatives on the specific works to be done for the project.
6. The contractor is required to provide an after care training schedule for the PNOC Gardeners after the project is completed.
7. The contractor must conduct proper planning and safety orientation meetings with all personnel involved in the work prior to commencement.
8. The contractor is required to coordinate all activities and work relative to the project with the PNOC representative for proper monitoring and coordination.
9. The contractor shall be liable for all accident claims and other related claims arising from injuries and damages, which may occur in relation to the execution of the project.
10. The contractor shall hold PNOC and its personnel free from any and all liabilities for damages arising from injuries or liabilities to persons or damages to property occasioned by any act or omissions of the contractor including any and all expenses which may be incurred by PNOC and its personnel in the defense of any claim, action or suit.
11. The cost of any and all rework and/or restoration of damaged properties due to the Contractor's poor workmanship or negligence shall be borne by the contractor.
12. The Contractor shall be liable for all direct and consequential damages arising out of any failure to perform the work in accordance with the schedule and with terms and conditions of the contract documents.

B. Site Possession

1. The CONTRACTOR confirms that he has inspected the site where the work will be performed; that he is fully aware of the conditions which might affect the nature, extent, and cost of the work required; that PNOC shall in no way be responsible for any costs or expenses which may be incurred on account of the failure of the CONTRACTOR to make an accurate examination of present and/or assessment of future factors that may affect the cost of execution.
2. Tapping of equipment and other related work shall be properly coordinated with PNOC Energy Center-Admin GSD designated representative for provision of electrical power source for outlets.
3. The GSD shall designate a specific area to be used by the CONTRACTOR as temporary facilities/storage area/ administration are in connection with the project.

VII. PROJECT DURATION

Work should be completed within fifteen days (15) calendar days reckoned from the date of receipt of the Notice to Proceed.

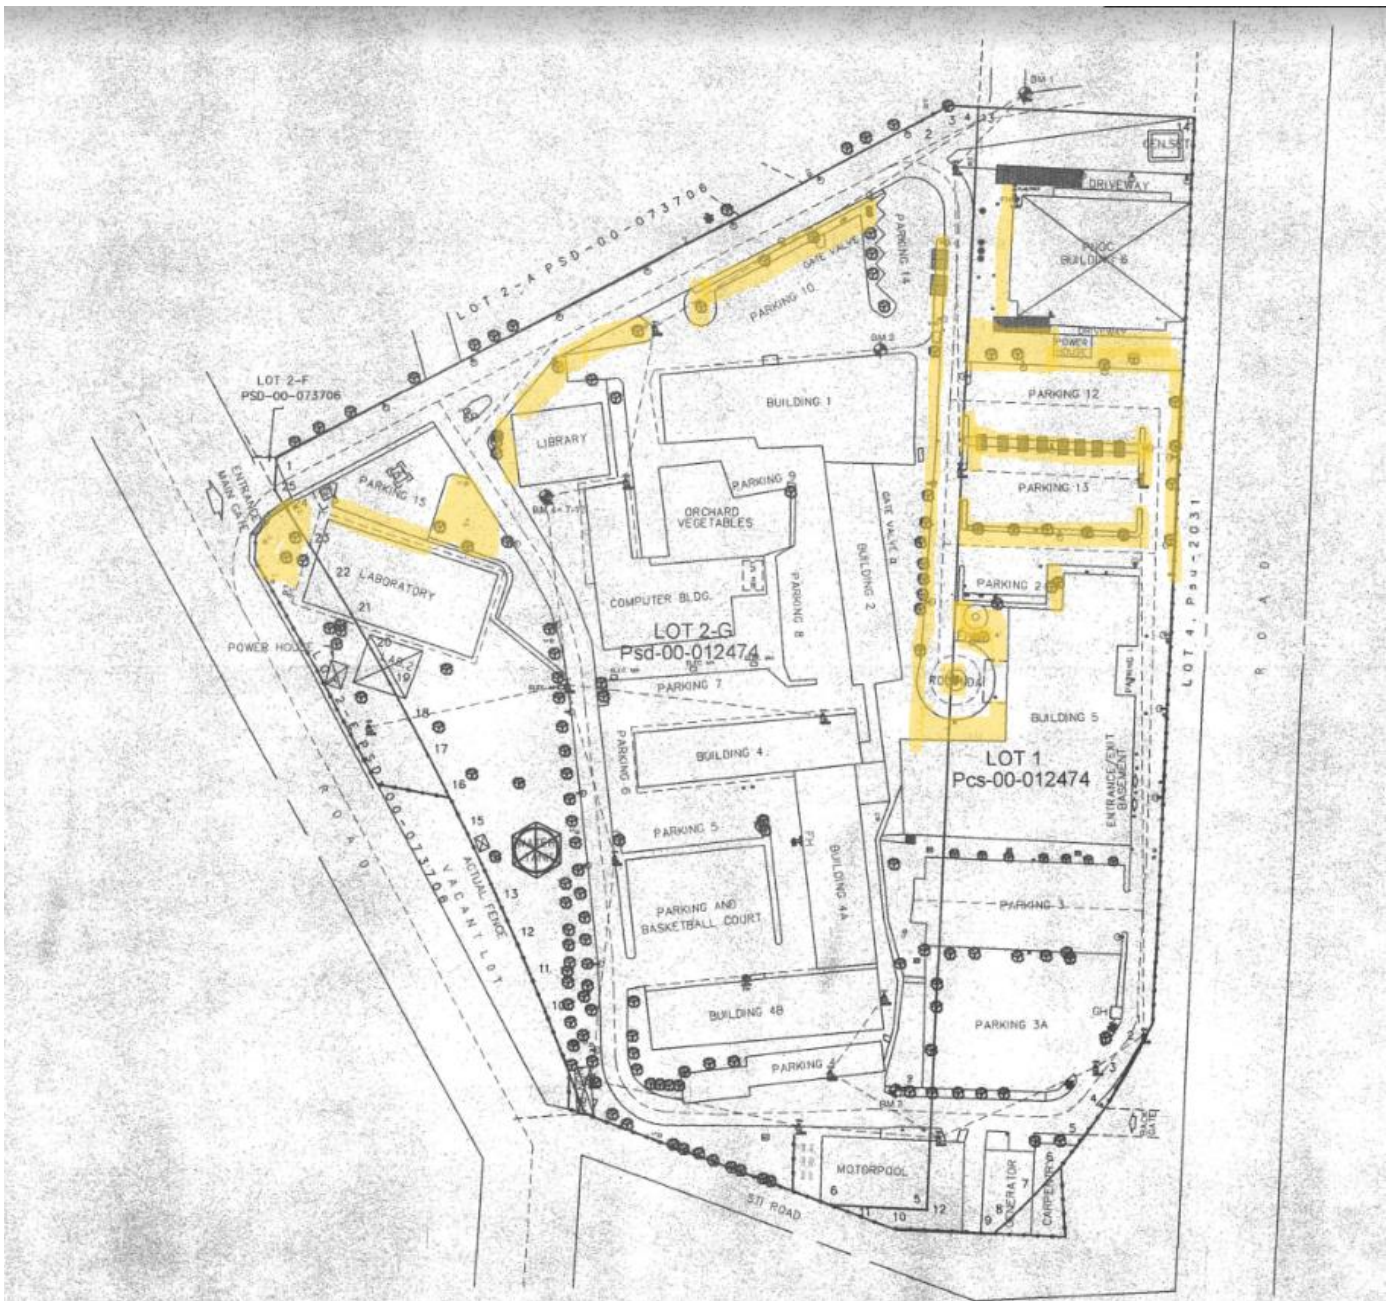

NOTE: Delays due to work stoppage (related to contractor's noncompliance to Safety, Health, Security, and Environmental policies of PNOC-Admin GSD) ordered by PNOC-Admin GSD will still be counted to the original contract duration; i.e. no suspension of time shall be granted to the contractor.

VIII. WARRANTY PROVISIONS

To warrant the full growth of the plants as prescribed under this Terms of Reference (TOR), the Service Provider shall perform after-care maintenance for the plants for one (1) month and provide after-care training for the PNOC Gardeners from the date of completion of the work project.

IX. DEFINITION OF SIMILAR PROJECTS

The contractor must have completed a minimum of one (1) project in landscaping worth at least 50% of the ABC.

TERMS AND CONDITIONS

1. Payment Terms: Government Terms - full payment upon completion of delivery/implementation, or subject to the conditions specified in the Scope of Works/Activities or Terms of Reference.
2. All entries shall be typed or written in a clear legible manner.
3. Bidder shall offer one (1) bid only. Alternative bids shall be rejected.
4. All prices offered herein are valid, binding and effective for THIRTY (30) calendar days upon issuance of this document.
5. As a general rule, price quotations to be denominated in Philippine Peso shall include all taxes, duties and/or levies payable.
6. In case of tie quotations, tie breaking shall be on draw lots or toss coin.
7. In case supplier pro forma quotation is submitted, conditions will be governed by the submitted signed Terms of Reference / Technical Specifications Sheet.

8. During evaluation of quotation/proposal, the project proponent may require additional documents to verify, validate and ascertain the compliance of the supplier/contractor or consultant.
9. Liquidated damages shall be imposed pursuant to Section 68 of the Revised IRR of RA 9184.

We undertake, if our Proposal is accepted, to supply/deliver the goods/services in accordance with the specifications and/or delivery schedule.

We agree to abide by this quotation/proposal for a period of thirty (30) calendar days, which is the price's validity period and it shall remain binding upon us and may be accepted at any time before the expiration of that period.

We acknowledge that failure to password-protect/seal our proposal/quotation or submitting it late will result in automatic disqualification.

Until a Contract or a Purchase Order is executed, this Quotation/Proposal shall be binding upon us. We understand that you are not bound to accept the lowest or any Proposal you may receive.
