18. Demobilization of personnel, tools and equipments.

Brand: Copeland copelametic semi hermetic 10 tonner

Model: 9RC1-1015-THC-274

GENERAL PROVISIONS:

1. A joint inspection must be conducted by the Contractor and PNOC-Admin GSD

- Representatives on the specific works to be done for the project.
2. The contractor is required to inspect and examine the site and the surroundings of the proposed project to arrive to an estimate of the labor, materials, equipment, facilities and services necessary to carry out the work.
 3. The contractor must conduct planning and safety orientation meeting to all personnel involved in the work prior to commencement.
 4. The contractor is required to coordinate all activities and work relative to the project with the PNOC Admin-GSD representative for proper monitoring and coordination.
 5. The Contractor shall commence work on the agreed Start Date and shall carry out the work in accordance with the program of work submitted by the CONTRACTOR, as updated, with the approval of the PNOC Admin-GSD representative and complete the project by the completion date as indicated based in the NTP.
 6. The Contractor shall be liable for all fire and accident claims and other related claims arising from injuries and damages, which may occur in relation to the execution of the project.
 7. The Contractor shall hold PNOC and its personnel free from any and all liabilities for damages arising from injuries or liabilities to persons or damages to property occasioned by any act of omissions of the contractor including any and all expenses which may be incurred by PNOC-Admin GSD and its personnel in the defence of any claim, action or suit.
 8. The cost of any and all rework and/or restoration of damaged properties due to Contractor's poor workmanship or negligence shall be borne by the contractor.
 9. The Contractor must submit a list of personnel assigned to the project before commencing the above scope of works.
 10. The Contractor must comply with all standard health and safety requirements to include, among others, the use of personal protective equipment by all workers, installation of safety signage, proper ID and observe company rules and regulations on safety and security.
 11. The work shall be executed in the best and thorough manner throughout the project timeline to the satisfaction of PNOC-Admin GSD, as represented by its engineers and supervisors who will jointly interpret the meaning of the scope of work and its conditions and shall have the power to reject any work, method of accomplishing every part of work and material used which in their judgement are not in full accordance with the specifications and/or description as provided in the scope of work and are deemed to be disadvantageous to PNOC.

COMPLETION OF WORK:

- Work should be completed in thirty (30) calendar days reckoned from the date of receipt of the notice to proceed. Work can be done after office hours from 5:00pm onwards daily and 7:00am onwards on weekends or holidays.

NOTE : Delays due to work stoppage ordered by GSD shall not be counted against the set Completion date.

WARRANTY PROVISIONS:

- All equipment, materials and workmanship shall be guaranteed for a period of six (6) months from date of acceptance. At any time within the period of guarantee and upon notification, the contractor shall repair and/or rectify all the deficiencies, including replacement of parts or entire unit, at the sole option of PNOC and without cost to PNOC.

ABC: PhP 115,000.00
