SECTION 6. STANDARD PROCEDURE (See *Annex "E"* for flowchart)

1. Receipt of Request for Information.

1.1 The FOI Receiving Officer (FRO) shall receive the request for information from the requesting party and check compliance of the following requirements:

- The request must be in writing;
- The request shall state the name and contact information of the requesting party, as well as provide valid proof of identification or authorization; and
- The request shall reasonably describe the information requested, and the reason for, or purpose of, the request for information. (See **Annex "F"**)

The request can be made through email, provided that the requesting party shall attach in the email a scanned copy of the FOI application request, and a copy of a duly recognized government ID with photo.

1.2 In case the requesting party is unable to make a written request because of illiteracy or due to being a person with disability, he/she may make an oral request, and the FRO shall reduce it in writing.

1.3 The request shall be stamped received by the FRO, indicating the date and time of the receipt of the written request, and the name, rank, title and position of the public officer who actually received it, with a corresponding signature and a copy, furnished to the requesting party. In case of email requests, the email shall be printed out and shall follow the procedure mentioned above, and be acknowledged by electronic mail. The FRO shall input the details of the request on the Request Tracking System and allocate a reference number.

1.4 The Company must respond to requests promptly, within fifteen (15) working days following the date of receipt of the request. A working day is any day other than a Saturday, Sunday or a day which is declared a national public holiday in the Philippines. In computing for the period, Art. 13 of the New Civil Code shall be observed.

The date of receipt of the request will be either:

- a. The day on which the request is physically or electronically delivered to the government office, or directly into the email inbox of a member of staff; or
- b. If the government office has asked the requesting party for further details to identify and locate the requested information, the date on which the necessary clarification is received.

An exception to this will be where the request has been emailed to an absent member of staff, and this has generated an 'out of office' message with instructions on how to re-direct the message to another contact. Where this is the case, the date of receipt will be the day the request arrives in the inbox of that contact.

Should the requested information need further details to identify or locate, then the fifteen (15) working days will commence the day after it receives the required clarification from the requesting party.

2. Initial Evaluation. After receipt of the request for information, the FRO shall evaluate the contents of the request.

2.1. Requested information is not in the custody of the Company: If the requested information is not in the custody of the Company, the FRO shall undertake the following steps:

- If the records requested refer to another government office, the request will be immediately forwarded to such appropriate office through the most expeditious manner and the forwarding office must inform the requesting party that the information is not held within the fifteen (15) working day limit. The fifteen (15) working day requirement for the receiving office commences the day after it receives the request.
 - “No Wrong Door” Policy Process of Referral: Pursuant to FOI-MC No. 21-05 (See **Annex “H”**), when the requested information is not in the possession of a government agency (government agency no. 1 or GA1), but is available in another government agency (government agency no. 2 or GA2) under the Executive Branch, the request shall be immediately referred by GA1 to GA2 through the most expeditious manner but not exceeding three (3) working days from the receipt of the request. This shall be considered as the **“First Referral”** and a fresh period will apply. *Referral to the appropriate government agency* shall mean that another government office is the proper repository or custodian of the requested information or records, or have control over the said information or records. If GA1 fails to refer the request within three (3) working days upon its receipt, the FRO shall act on it within the remaining period to respond pursuant to EO No. 02, s. 2016. No fresh period shall apply. If GA1, in good faith, erroneously referred the request to GA2, the latter shall immediately notify the former as well as the requesting party, that the information requested is not available in their agency. GA2, to whom the request was referred under the First Referral may subsequently refer the request to another government agency (government agency no. 3 or GA3). This shall be considered as the **“Second Referral”** and another fresh period shall apply. Referrals are only limited to two (2) subsequent transfers of request. A written or email acknowledgement of the referral shall be made by the FRO of the government agency where it was referred. The requesting party shall be notified of the referral and must be provided with the reason or rationale thereof, and contact details of the government office where the request was referred.

- If the records refer to an office not within the coverage of E.O. No. 2, the requesting party shall be advised accordingly and provided with the contact details of that office, if known.

2.2. Requested information is already posted and available on-line:

Should the information being requested be already posted and publicly available in the Company website, data.gov.ph or foi.gov.ph, the FRO shall inform the requesting party of the said fact and provide them the website link where the information is posted.

2.3. Requested information is substantially similar or identical to a previous request: Should the requested information be substantially similar or identical to a previous request by the same requester, the request shall be denied. However, the FRO shall inform the applicant of the reason of such denial.

- 3. Transmittal of Request by the FRO to the FDM:** After receipt of the request for information, the FRO shall evaluate the information being requested, and notify the FDM of such request. The copy of the request shall be forwarded to such FDM within one (1) day from receipt of the written request. The FRO shall record the date, time and name of the FDM who received the request in a record book with the corresponding signature of acknowledgement of receipt of the request.
- 4. Role of FDM in processing the request:** Upon receipt of the request for information from the FRO, the FDM shall assess and clarify the request if necessary, coordinate with the appropriate departments for the information requested and ensure that the complete information requested be submitted to the FRO within ten (10) working days upon receipt of such request.

The FRO shall note the date and time of receipt of the information from the FDM and report to the Company President or the designated SVP, in case the submission is beyond the (ten) 10 working day period.

If the FDM needs further details to identify or locate the information, he/she shall, through the FRO, seek clarification from the requesting party. The clarification shall stop the running of the fifteen (15) working day period and will commence the day after the FRO receives the required clarification from the requesting party.

If the FDM determines that a record contains information of interest to another office, the FDM shall consult with the agency concerned if the records can be disclosed before making any final determination.

- 5. Role of FRO to transmit the information to the requesting party:** Upon receipt of the requested information from the FDM, the FRO shall collate and ensure that the information is complete. He/she shall attach a cover/transmittal letter signed by the President or the designated SVP concerned and ensure the transmittal of such to the requesting party within fifteen (15) working days upon receipt of the request for information.
- 6. Request for an Extension of Time:** If the information requested requires extensive search of the government's office records facilities, examination of voluminous records, the occurrence of fortuitous events or other analogous cases, the FDM should inform the FRO.

The FRO shall inform the requesting party of the extension, setting forth the reasons for such extension. In no case shall the extension exceed twenty (20) working days on top of the mandated fifteen (15) working days to act on the request, unless exceptional circumstances warrant a longer period.

- 7. Notice to the Requesting Party of the Approval/Denial of the Request:** Once the FDM approves or denies the request, the FDM shall immediately notify the FRO, who shall prepare the response to the requesting party either in writing or by email. All actions on FOI requests, whether approval or denial, shall pass through the Company President or any of his/her designated SVP for final approval.
- 8. Approval of Request:** In case of approval, the FRO shall ensure that all records that have been retrieved and considered be checked for possible exemptions, prior to actual release. The FRO shall prepare the letter or email informing the requesting party within the prescribed period that the request was granted and be directed to pay the applicable fees, if any.
- 9. Denial of Request:** In case of denial of the request wholly or partially, the FRO shall, within the prescribed period, notify the requesting party of the denial in writing. The notice shall clearly set forth the ground or grounds for denial and the circumstances on which the denial is based. Failure to notify the requesting party of the action taken on the request within the period herein provided shall be deemed a denial of the request to information.

A person whose request for access to information has been denied may avail himself of the remedy set forth below:

1. Administrative FOI Appeal to the Company Central Appeals and Review Committee: Provided, that the written appeal must be filed by the same requesting party within fifteen (15) calendar days from the notice of denial or from the lapse of the period to respond to the request.
 - a. The appeal shall be decided by the President upon the recommendation of the Central Appeals and Review Committee within thirty (30) working days from the filing of said written appeal. Failure to decide within the 30 working-day period shall be deemed a denial of the appeal.
 - b. The denial of the Appeal by the President or the lapse of the period to respond to the request may be appealed further to the Office of the President under Administrative Order No. 22, s. 2011.

2. Upon exhaustion of administrative FOI appeal remedies, the requesting party may file the appropriate judicial action in accordance with the Rules of Court.

SECTION 8. REQUEST TRACKING SYSTEM

Notes:

10. This table sets our targets at various points within the 15 working day response period, for completion of key steps in the process of handling an FOI request.
11. Each FOI request is different so not all of these actions will be required in each case – some will be much simpler – and sometimes actions will be completed earlier or later than the targets in this table. However, it is always important to allow sufficient time for Decision Maker, etc. to clear FOI responses before expiry of the 15 working day deadline.
12. For any request, it is essential to start looking at it as soon as it is received, to assess what work needs to be done and to plan that work so that the request is answered on time. This table is intended to help with that planning.

FOI-MC No. 21- 05

FREEDOM OF INFORMATION MEMORANDUM CIRCULAR

FOR : ALL AGENCIES, DEPARTMENTS, BUREAUS, OFFICES AND INSTRUMENTALITIES OF THE EXECUTIVE BRANCH INCLUDING GOVERNMENT-OWNED AND/OR CONTROLLED CORPORATIONS (GOCCS), STATE UNIVERSITIES AND COLLEGES (SUCS), AND LOCAL WATER DISTRICTS (LWDS)

SUBJECT : GUIDELINES ON THE REFERRAL OF REQUESTED INFORMATION, OFFICIAL RECORD/S AND PUBLIC RECORD/S TO THE APPROPRIATE GOVERNMENT AGENCY OTHERWISE KNOWN AS THE “NO WRONG DOOR POLICY FOR FOI”

WHEREAS, Executive Order (EO) No. 02, s. 2016 was issued by President Rodrigo Roa R. Duterte to operationalize the Constitutional Right of Access to Information, and Policy of Full Public Disclosure in the Executive Department;

WHEREAS, Memorandum Order (MO) No. 10, s. 2016 designated the Presidential Communications Operations Office (PCOO) as the lead agency in the implementation of EO No. 02, s. 2016;

WHEREAS, Department Order No. 18, s. 2017, issued by the PCOO, created the Freedom of Information – Project Management Office (FOI-PMO) to exercise the mandate of MO No. 10, s. 2016;

WHEREAS, in order to ensure the policy of the President to have an open, transparent and accountable government, it is the mandate of the PCOO to develop programs and mechanisms to enhance the capacity of government agencies to comply with the FOI program;

WHEREAS, there is a need to break the prevailing “silo system” and lack of interconnection among government agencies, with the end goal of a government acting as a singular unit serving its primary client, its citizens;

NOW, THEREFORE, by virtue of PCOO's mandate to develop programs and mechanism to ensure compliance with the FOI program, particularly on addressing the issue regarding the referral of any requested information, official record/s, or public record/s to the appropriate government agency, these rules are hereby prescribed and promulgated for the information, guidance and compliance of all concerned:

Section 1. Purpose. – This rule seeks to set guidelines for the referral of any requested information, official record/s, or public record/s to the appropriate government agency by another agency which does not have in its possession or custody the requested information or records, or is not authorized to release the information to the public.

Section 2. Coverage. – This Order shall cover all government agencies under the Executive branch implementing the FOI Program, pursuant to EO No. 2, s. 2016 and all other related issuances, and applies to both paper-based and electronic form of requesting information.

Section 3. Request for Information. – Any person who requests for access to information shall comply with Section 9 of EO No. 02, s. 2016 and all other pertinent laws, existing rules and regulations, issuances, and orders. For purposes of this rule, information and records shall refer to information, official record/s, or public record/s as defined under EO No. 02, s. 2016.

Section 4. Acceptance of request. – As a general rule, all fully compliant requests for information shall be accepted by the FOI Receiving Officer (FRO) and FOI Decision Maker (FDM). No request for information shall be denied or refused acceptance by a government office unless the reason for the request is contrary to the Constitution, pertinent laws, existing rules and regulations, or it is one of the exceptions provided under the Inventory of Exceptions.

Section 5. Process of Referral. – When the requested information is not in the possession of a government agency (government agency no. 1 or GA1), but is available in another government agency (government agency no. 2 or GA2) under the Executive Branch, the request shall be immediately referred by GA1 to GA2 through the most expeditious manner but not exceeding three (3) working days from the receipt of the request. This shall be considered as the “**First Referral**” and a fresh period will apply.

Referral to the appropriate government agency shall mean that another government office is the proper repository or custodian of the requested information or records, or have control over the said information or records.

If GA1 fails to refer the request within three (3) working days upon its receipt, the FRO shall act on it within the remaining period to respond pursuant to EO No. 02, s. 2016. No fresh period shall apply.

If GA1, in good faith, erroneously referred the request to GA2, the latter shall immediately notify the former as well as the requesting party, that the information requested is not available in their agency.

GA2, to whom the request was referred under the First Referral may subsequently refer the request to another government agency (government agency no. 3 or GA3) under the procedure set forth in the first paragraph of this Section. This shall be considered as the **“Second Referral”** and another fresh period shall apply.

Referrals under this Order shall only be limited to two (2) subsequent transfers of request. A written or email acknowledgement of the referral shall be made by the FRO of the government agency where it was referred.

The requesting party shall be notified of the referral and must be provided with the reason or rationale thereof, and contact details of the government office where the request was referred.

Section 6. FOI Internal Messenger. - The FOI-PMO shall create a **“FOI Internal Messenger”**. Such feature shall be included in the dashboards of FROs and FDMs, located at the eFOI portal or www.foi.gov.ph, where all FROs and FDMs can ask or confirm with each other on which agency has the control and custody of any information or record being requested.
